

## Audubon International Certified Golf Courses

Certified Audubon Cooperative Sanctuaries are private and public properties that contribute to our conservation landscape by protecting and sustaining land, water, wildlife, and natural resources.

Photo: *Prairie Dunes Country Club, KS*

**A**udubon International certifies golf courses enrolled in the Audubon Cooperative Sanctuary Program for Golf Courses and the Audubon Signature Programs that demonstrate their commitment to the environment. These eco-friendly courses meet required standards for protecting water quality, conserving natural resources, and providing wildlife habitats. More information about Audubon International programs and certification can be found at [www.auduboninternational.org](http://www.auduboninternational.org). The following golf courses have achieved certification as of January 19,
