

Hummingbird Plants- Southeast and South Florida

NATIVE

- Beebalm (*Monarda didyma*) - red; summer to early fall.
Bergamont (*Monarda fistulosa*) - pinkish purple; summer to early fall.
Bleeding heart (*Dicentra eximia*) - pink; spring to fall.
Bouncing bet (*Saponaria officinalis*) - pinkish white; summer to early fall.
Butterfly weed (*Asclepias tuberosa*) - orange; summer.
Buttonbush (*Cephalanthus occidentalis*) - white; late spring through summer.
Cardinal flower (*Lobelia cardinalis*) - red; late spring through fall.
Columbine (*Aquilegia canadensis*) - red; early spring through summer.
Coral bean (*Erythrina herbacea*) - red; summer.
Coralberry (*Symphoricarpos orbiculatus*) - greenish; late summer.
Coral honeysuckle (*Lonicera sempervirens*) - orange-red; summer.
Crossvine (*Bignonia capreolata*) - orange; summer.
Fire pink (*Silene virginica*) - red; spring to early summer.
Fireweed (*Epilobium angustifolium*) - pink; summer to early fall.
Fly honeysuckle (*Lonicera canadensis*) - yellowish; spring through summer.
Foxglove (*Penstemon digitalis*) - white; late spring.
Geiger tree (*Cordia sebestena*) - orange; spring to summer (SF).
Hawthorne (*Crataegus crus-galli*) - white; spring to summer.
Hummingbird bush (*Hamelia patens*) - red; summer (SF).
Indian paintbrush (*Castilleja coccinea*) - red; spring.
Jewelweed (*Impatiens capensis*) - orange/yellow; late summer to fall.
Liatris (*Liatris spp.*) - purple; summer to fall.
Morning glory (*Ipomoea coccinea*) red; late summer to fall.
Mountain laurel (*Kalmia latifolia*) - pink/white; late spring to early summer.
New Jersey Tea (*Ceanothus americanus*) - white; later summer to early fall.
Phlox (*Phlox divaricata*) - blue; spring to early summer.
Pinxter flower (*Rhododendron nudiflorum*) - pink; early spring to early summer.
Redbud (*Cercis canadensis*) - pink; spring.
Red buckeye (*Aesculus pavia*) - red; spring.
Seven-year apple (*Casasia clusiiifolia*) - white; early spring to late fall (SF).
Standing cypress (*Ipomopsis rubra*) - red; spring to late fall.
Tropical sage (*Salvia coccinea*) - red; summer.
Trumpet creeper (*Campsis radicans*) - orange-red; mid-summer to early fall.
Trumpet honeysuckle (*Lonicera sempervirens*) - red; spring through early fall.
Turk's cap lily (*Lilium superbum*) - orange; spring to early summer.
Turk's cap mallow (*Mahviscus arboreus*) red; spring to late fall.
Turtlehead (*Chelone glabra*) - white; summer through fall.
Turk's-cap lily (*Lilium superbum*) - orange; late summer to fall.
Virginia bluebells (*Mertensia virginica*) - blue; spring.
Wild Pine (*Tillandsia fasciculata*) - red; early spring to summer (SF).

CULTIVATED

Abelia (*Abelia grandiflora*) - white/pink; summer to fall.
Aloe (*Aloe sp.*) - many colors; throughout the year (SF).
Azalea (*Rhododendron spp.*) - many colors; early spring to summer.
Banana (*Musa spp.*) - yellow/orange; throughout the year (SF).
Begonia (*Begonia spp.*) - many colors; throughout the year.
Bleeding heart (*Dicentra spectabilis*) - pink; late spring.
Bottlebrush (*Callistemon sp.*) - red; throughout the year (SF).
Bougainvillea (*Bougainvillea sp.*) - many colors; throughout the year (SF).
Canna (*Canna spp.*) - many colors; summer to fall.
Canterbury bell (*Campanula medium*) - many colors; early summer.
Catnip (*Nepeta cataria*) - purple; early summer.
Chaste tree (*Vitex agnus-castus*) - white/pink; summer to fall.
Clematis (*Clematis spp.*) - many colors; spring to fall.
Coral bells (*Heuchera sanguinea*) - pink; late spring to summer.
Cypress vine (*Ipomoea quamoclit*) - red; summer.
Daylily (*Hemerocallis flava*) - many colors; summer.
Delphinium (larkspur) (*Delphinium spp.*) - many colors; spring to fall.
Four o'clock (*Mirabilis jalapa*) - red/pink; summer to fall.
Fuchsia (*Fuchsia spp.*) - many colors; early summer to fall.
Geranium (*Pelargonium spp.*) - many colors; spring to fall.
Gladiolus (*Gladiolus spp.*) - many colors; spring to fall.
Heliconia (*Heliconia sp.*) - many colors; throughout the year (SF).
Hollyhock (*Althea rosea*) - many colors; spring to summer.
Hosta (*Hosta spp.*) - white/purple; summer.
Hummingbird bush (*Grevillea thelemannia*) - red; throughout the year (SF).
Impatiens (*Impatiens spp.*) - many colors; summer.
Lilac (*Syringa spp.*) - purple/white; spring to early summer.
Nasturtium (*Tropaeolum majus*) - orange, other colors; spring to summer.
Petunia (*Petunia spp.*) - many colors; spring to summer.
Pink (*Dianthus spp.*) - many colors; spring to fall.
Red-hot poker (*Kniphofia uvaria*) - orange/red; early spring to fall (SF).
Rose of Sharon (*Hibiscus syriacus*) - many colors; summer.
Scarlet sage (*Salvia splendens*) - red; summer.
Shrimp plant (*Justicia brandegeana*) - white; spring to fall.
Snapdragon (*Antirrhinum majus*) - many colors; spring to fall.
Spider flower (*Cleome spp.*) - pink/white; late summer to fall.
Sweet William (*Dianthus barbatus*) - many colors; spring to summer.
Tiger Lily (*Lilium tigrinum*) - orange; summer.
Weigela (*Weigela florida*) - many colors; early summer.
Zinnia (*Zinnia elegans*) - many colors; late summer to late fall.
