

Hummingbird Plants- Northeast

NATIVE

- Basswood (*Tilia americana*) - yellowish-white; early summer.
Beebalm (*Monarda didyma*) - red; summer to early fall.
Bergamont (*Monarda fistulosa*) - pinkish purple; summer to early fall.
Bleeding heart (*Dicentra eximia*) - pink; spring to fall.
Bouncing bet (*Saponaria officinalis*) - pinkish white; summer to early fall.
Buttonbush (*Cephalanthus occidentalis*) - white; late spring through summer.
Cardinal flower (*Lobelia cardinalis*) - red; late spring through fall.
Columbine (*Aquilegia canadensis*) - red; early spring through summer.
Coralberry (*Symphoricarpos orbiculatus*) - greenish; late summer.
Fire pink (*Silene virginica*) - red; spring to early summer.
Fireweed (*Epilobium angustifolium*) - pink; summer to early fall.
Fly honeysuckle (*Lonicera canadensis*) - yellowish; spring through summer.
Foxglove (*Penstemon digitalis*) - white; late spring.
Hawthorne (*Crataegus crus-galli*) - white; spring to summer.
Jewelweed (*Impatiens capensis*) - orange/yellow; late summer to fall.
Liatris (*Liatris spp.*) - purple; summer to fall.
Morning glory (*Ipomoea coccinea*) red; late summer to fall.
Mountain laurel (*Kalmia latifolia*) - pink/white; late spring to early summer.
New Jersey Tea (*Ceanothus americanus*) - white; later summer to early fall.
Phlox (*Phlox divaricata*) - blue; spring to early summer.
Pinxter flower (*Rhododendron nudiflorum*) - pink; early spring to early summer.
Redbud (*Cercis canadensis*) - pink; spring.
Trumpet creeper (*Campsis radicans*) - orange-red; mid-summer to early fall.
Trumpet honeysuckle (*Lonicera sempervirens*) - red; spring through early fall.
Turk's cap lily (*Lilium superbum*) - orange; spring to early summer.
Turtlehead (*Chelone glabra*) - white; summer through fall.
Turk's-cap lily (*Lilium superbum*) - orange; late summer to fall.
Virginia bluebells (*Mertensia virginica*) - blue; spring.
Wood Lily (*Lilium philadelphicum*) - orange; spring to early summer.

CULTIVATED

- Azalea (*Rhododendron spp.*) - many colors; early spring to summer.
Begonia (*Begonia spp.*) - many colors; throughout the year.
Bellflower (*Campanula spp.*) - many colors; spring to fall.
Bleeding heart (*Dicentra spectabilis*) - pink; late spring.
Canna (*Canna spp.*) - many colors; summer to fall.
Canterbury bell (*Campanula medium*) - many colors; early summer.
Catnip (*Nepeta cataria*) - purple; early summer.

Clematis (*Clematis spp.*) - many colors; spring to fall.
Coral bells (*Heuchera sanguinea*) - pink; late spring to summer.
Dahlia (*Dahlia spp.*) - many colors; summer to late fall.
Daylily (*Hemerocallis flava*) - many colors; summer.
Delphinium (larkspur) (*Delphinium spp.*) - many colors; spring to fall.
Foxglove (*Digitalis spp.*) - many colors; summer.
Fuchsia (*Fuchsia spp.*) - many colors; early summer to fall.
Geranium (*Pelargonium spp.*) - many colors; spring to fall.
Gladiolus (*Gladiolus spp.*) - many colors; spring to fall.
Hollyhock (*Althea rosea*) - many colors; spring to summer.
Hosta (*Hosta spp.*) - white/purple; summer.
Impatiens (*Impatiens spp.*) - many colors; summer.
Lilac (*Syringa spp.*) - purple/white; spring to early summer.
Moss pink (*Phlox decussata*) - pink; spring to summer.
Nasturtium (*Tropaeolum majus*) - orange, other colors; spring to summer.
Petunia (*Petunia spp.*) - many colors; spring to summer.
Pink (*Dianthus spp.*) - many colors; spring to fall.
Rose of Sharon (*Hibiscus syriacus*) - many colors; summer.
Scarlet sage (*Salvia splendens*) - red; summer.
Snapdragon (*Antirrhinum majus*) - many colors; spring to fall.
Spider flower (*Cleome spp.*) - pink/white; late summer to fall.
Sweet William (*Dianthus barbatus*) - many colors; spring to summer.
Tiger Lily (*Lilium tigrinum*) - orange; summer.
Weigela (*Weigela florida*) - many colors; early summer.
Zinnia (*Zinnia elegans*) - many colors; late summer to late fall.
