Statement of Affirmation

"I affirm that we will fulfill the following responsibilities as a participant of the Monarchs in the Rough Program."

Overall Purpose:

- To establish essential habitat for butterflies and increase awareness of conservation challenges.

Responsibilities:

- 1. Habitat Evaluation Checklist - We will complete a "Habitat Evaluation Checklist" to assess our course's current and future potential to provide food, habitat, and space for monarchs and other pollinator species.
- 2. Habitat Projects- We will be responsible for procuring native, ecologically-appropriate plant materials and planting/establishing milkweed and other nectar-producing plants.
- 3. Monitoring- We will be responsible for communicating with our staff, membership, and community about our efforts in this program, as well as of the plight of monarchs and how they can help.
